Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #26: In the chaos of our annual quilt retreat, one of my friends burned herself on the oven rack. She dipped her burned finger in plain yellow mustard for 20 minutes or so. It not only took the sting away, there was no blistering, and the redness disappeared overnight so she was able to keep sewing.

Wallets and Purses! This month we're featuring wallets and purses made from our patterns which we've seen on our travels this year. Thanks to those of you who have shown us your finished projects and have allowed us to photograph them. If you can identify the ones missing their owner's names, I'll send you a free pattern!

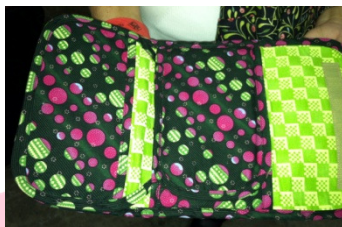

If you'll be in the Raleigh area in August, we're offering a class on Applique, the starch method. The date is Saturday, August 18th and the class will be from 10 am until 3 pm at a cost of \$30. Email me at the above address if you're interested and I'll send you the details.
