# Quiltricks NEWS

*Stimulating imaginations of quilt tricksters everywhere*

**Quiltrick #30:** The Quilter's Lil' Buddy Pressing Board is perfect to use next to your sewing area or bring to retreats. They are from "By My Hand From My Heart". They can be ordered from Joyce Aschenbrenner at [jcaa@nc.rr.com](mailto:jcaa@nc.rr.com), or purchased at one of Quiltricks' upcoming shows.

Here's an update on my UFO challenge! I heard from many of you who would love to finish some UFO's. Kathleen, from the Belleview Busy Bees in Florida, shared with me that her guild has a UFO challenge. She has finished six UFO's since November! I took that idea to my Bee and we have started our own UFO challenge. Guess what? I have finished two of the UFO's on my list and am working on my third and fourth (of course I can't do just one at a time). Very exciting, especially as I have 'sew' many to choose from. I did give myself permission to donate some blocks that I will never complete, and I love the resulting sense of freedom! The UFO I'm working on now is a baby quilt version of Jeepers Creepers pictured below.

Our other exciting news is a new quiltlet trio, "Home Tweet Home", will be in the July issue of *McCalls Quick Quilts*. That means it will be on the newsstands on or around April 16<sup>th</sup>. We hope you like our new spring trio!
