Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #42: No matter how much fabric you have in your stash, you will still have to go to the quilt store to find just the right fabric for the quilt you are making. ☺

We just arrived home after a month of traveling to quilt shows. One of the nicest things to do is to find great restaurants in the towns we visit. In Duluth it was The New Scenic Café right on Lake Superior. As a first generation Norwegian, I also got a big laugh when I saw their waste disposal service: “Nordic Waste”!

Burlington, VT had wonderful “morning rolls” at the Barrio Bakery a half block from our house. For dinner The Revolution Kitchen was so amazing - each plate better than the one before. And, of course, no trip to Vermont is complete without a visit to Ben and Jerry’s.

We are having so much fun designing the blocks for our 10th Anniversary Block of the Month. June was suggested by my son, Drew, and July was inspired by several friends who would wear flip flops year round if they could. (You know who you are, Leslie, Joyce and Rita!) The August block reflects both coasts of the US where we have spent a great deal of time as a family. We hope you’re having fun with the blocks as well.
