Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #47: To re-sharpen your rotary cutter, fold a piece of aluminum foil in several layers then cut through it several times with your rotary cutter. Your cutter will be re-sharpened! – tip courtesy of Beverly

We've come to the end of three weeks of working in the studio and our new pattern is the happy result! Introducing "Summer Woolies" just in time for the season. It's the last in our "woolie" series and features summer bugs out to play. They make great candle mats or mug rugs. Or make one into a pin cushion. They make great gifts as well. We will be traveling to quilt shows for the next few months, so come visit us if we happen to be in your area of the country. Happy sewing...
