Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #67: One of the best fitting masks we've seen is also fairly easy to make. The templates are here, thanks to Craft Passion: <https://www.craftpassion.com/wp-content/uploads/2013/08/face-mask-pattern-1.pdf> The video on how to construct the mask is here by Amanda Todaro: <https://www.youtube.com/watch?v=B4kkhLdTh-Y>

We hope all of you are staying safe, and more important, healthy, in these trying times. We have been sheltering at home, making masks and cooking a lot more than usual. While the quilt shows that we usually count on are canceled for 2020, we are grateful to have a roof over our heads, food to eat, family and friends.

The quiltlet door hangers pictured below are from our Block of the Month collection. We chose these ones for this Newsletter because of 1) the calming properties of a cup of tea, 2) an escape to the shore is still possible and 3) we've all discovered how important school is!

Thank you for all your support over the years. We are still working and trying out new patterns, and hope to see you in the near future.
